

Long Term Lets

Accommodation available for individuals or businesses

Situated at Waterside Park, Corton in Suffolk - 2 miles from Lowestoft, Cornell Lettings offer individuals or businesses the opportunity of long term lets accommodation in our range of fully furnished and equipped 2 and 3 bedroom villas.

Our villas offer a home from home feel, allowing guests to cook for themselves in the fully equipped kitchen, and then relax in the fully furnished lounge enjoying the TV/DVD. They can also sit out on the furnished decking at the front of the villas to enjoy the sun. Wi-fi is unlimited.

All of the accommodation units have either shower over the bath or shower only in the bathroom. Each villa has a washing machine, clothes airer, iron and ironing board available for use. The villas have 2/3 fully furnished bedrooms. There is one double room with TV and some villas have a second double or twin room and one single room. Some of these additional bedrooms have TVs and if this is a requirement you can request this on booking, although villas are allocated on a first come first served basis so early booking is always advised.

We are able to offer an in-house cleaning service, using our own qualified cleaning staff. We can cater for weekly cleans, as well as single cleans to prepare the villas for overnight accommodation turnarounds. All that is required is notification of the guest's travel/work plans to allow us to schedule the villa cleaning and cause minimum disruption to the guests.

Each villa has an outside key-safe located by the front door. This allows guests to enter at any time without the need to check in. Parking for the guests is included within the Waterside Park complex.

Waterside Park facilities available for guests whilst using the villas include the bar and chill out area, which has WIFI access. Also available for use is the restaurant, mini gym and heated/covered swimming pool and on site there is also a hair salon.

Cornell Lettings have up to 20 villas available for long term lets, and can therefore potentially cater for a large work force of up to 60 personal. During the last 18 months we have accommodated the staff of a large European company, with this a proven success. Our ongoing commitment is to maintain all of the villas to the highest of standards, and ensure our customer service deals with requests and any problems as swiftly as possible. The villas also hold an Energy performance and Electrical certificates.

Our fantastic accommodation offers much more of a home from home feel, and compared to local hotel rates are extremely competitive.
